

Volunteer with Rowing Queensland

Volunteering for Rowing Queensland is incredibly positive, enjoyable and rewarding.

Opportunities to volunteer are available across a wide variety of roles and tasks. Some include coaching, fundraising, marshals, car park attendants, event co-ordinators, boat holders, boat drivers, social media content providers and more.

Volunteering is the heart of our sport. For just a few hours of your week or month you can make a big difference!

Contact email address

1. Enter your phone number*

2. Enter your name*

3. If you are a member of a Club/School enter it here*
